Dear Madam:

In compliance with the requirements of Chapter 112 of the General Laws, the Board of Registration in Veterinary Medicine submits its report for the fiscal year 1969.

Forty-four persons applied for registration during the year, all of whom were graduates of Veterinary Medical schools. Of these, forty-three were for first examination and one was for reexamination.

Of the fifty applicants for the examination in 1968, forty-nine were granted certificates to practice and one did not appear. Of those certificates granted, four were granted through reciprocity.

A special examination was held in December 1968, one candidate applied and was granted registration.

Since the organization of the Board, one thousand three hundred and twenty-seven certificates have been issued during this period and the Board has held ninety-five examinations.

The Board held nine meetings and two examinations during this period. It investigated nineteen complaints.

During the life of the Board there have been one thousand nine hundred and twenty-seven applicants for registration in Veterinary Medicine, one thousand two hundred and seventy-eight certificates were granted, five hundred and forty-one were refused and fifty-nine did not appear for examination.

Five hundred and sixty-six renewal certificates were issued in the fiscal year 1969.

On March 25, 1969, an act reducing the number of members of the Board necessary to constitute a quorum, became effective. This was Chapter 104, Acts of 1969 changing the quorum from four members to three, hereby amending Section 54 of Chapter 112 as already amended by Section 3, of Chapter 533 of the acts of 1958.
